ALL ELECTIONS DECLARED NULL AND V

By-Laws Illegal Elections Void

At a special emergency meeting of the Student Commission, held at 3 o'clock on Wednesday, March 24, all of the elections of the past few weeks were declared null and void. The action was due to the fact that a mistake had been made in passing the new by-laws under which the elections had been held, thus rendering both by-laws and elections invalid.

The old by-laws required a peti-tion of 15 per cent of the student body in order to amend the bylaws, and this was not done when the amendments to the by-laws were voted on last month. The error was brought to the attention of the commission by a group of students, and the elections were voided as a

Members of the commission have unofficially stated that the mistake was due to confused wording and arrangement of the Associated Students' constitution, which contains the provisions for amending both the by-laws and the commission rules of order. The amending of the rules of order does not require a petition, and this was the procedure mistakenly used. Since the procedure was illegal, the new by-laws—and the elections held under them - were invalid.

New elections will be held next May, and all candidates will have to obtain new petitions. All of the election procedures will have to be repeated completely, and any new candidates may enter the race by obtaining petitions.

Salinas, California, Friday, March 26, 1954

All Basketball **Awards Withheld**

If the members of the Hartnell basketball team broke as many records as they are accused of breaking doors, the Panthers would be the world champions.

Menlo, Marin, and East Contra Costa have all sent bills to the Hartnell front office claiming the Panther players damaged their dressing room doors.

In a meeting held on March 22, the Student Commission passed a motion that temporarily withheld the basketball awards. Commissioner George Bernasconi, a basketball player, made the motion that no one would receive an award until the guilty party or parties confess. Upon confession the offenders, if any, will forfeit their awards and innocent team members will then be issued theirs.

Coach Ed Adams states that "he doesn't know how it happened," and that as Coaches Jess Regli, Ken Blue, and himself were with the boys all the time "doesn't see how they could have done it."

Adams also said that on at least one occasion, several teams used the gyms and only Hartnell was accused of damaging the doors. He cited the week end of the Marin game. M.P.C. played there on Fri-day night and a nearby high school played the Marin J.V.'s prior to the Hartnell contest on Saturday night. The door incident wasn't reported until the following Monday, after three different teams had used the visitors' dressing room.

Injured In **Football Game**

Hartnell student Jack Jayett suffered a fractured collar bone in a touch football accident on the campus on Thursday, March 18.

Jayett was given first aid by Coach Ed Adams, and rushed to the Memorial Hospital by the Sali-nas Ambulance Service. He was nas Ambulance Service. He was able to leave the hospital and return to college by Monday, March 22, but his arm and shoulder are expected to be kept immobilized by lacings for about three weeks, until the collarbone heals.

A veteran of the army now in college under the G.I. Bill of Rights, Jayett is a resident of Santa Cruz and was the regular driver of Hartnell Bus 26.

CATALOGS WANTED

Any student who has a copy of the 1953-4 edition of the Hartnell College catalog please turn it in to the main office. Mr. McCallum wants to give them out to the sen-iors of the high schools to en-lighten them as to what Hartnell College has to offer.

Men's Club Constitution

The men students of Hartnell voted in favor of the new consti-tution of the Men's Club. The revisions are as follows:

Elections of officers shall be as follows: President shall be elected at the same time as the studentbody elections are held in the spring semester. The election of vice-pres ident, secretary-treasurer, Interclub Council representative shall be held at the first of the fall semester.

Previously, all elections were held in the fall semester at such time as in the spring semester as it was necessary to put on the Men's Club dinner early in the fall.

Religious Club To Hold Meeting

Next Tuesday noon, March 30, in Room 35, a special Christian Gathering will take place spon-sored by the Westminster Club, the Canterbury Club and the Inter-Varsity Christian Fellowship Organization.

Special speaker will be Doctor Lytle, a minister of the Mount Herman Association. Doctor Lytle has had a lot of experience with college students and was the unanimous choice for guest speaker.

A music program will feature Loretta Turpin and Marylyn McLaren who will sing a duet, and Bev erly Hargraves who will play a vio-lin solo. Refreshments will conclude the affair. All students are invited to attend.

Student's Vote On Contents Of Student Union

The long dispute over the proposed student union building has been settled, as a result of a vote taken by the students last Friday.

The argument began as Hartnell College was allotted \$100,000 for construction of a student union building. Architect Jerome Kasavan presented a plan with seven rooms including a cafeteria, the cost of which would be \$140,000. The student union committee proposed that by eliminating the cafeteria the cost would be around \$100,000, and well within the allotted budget.

As only six rooms could be constructed it was decided to let the students choose the rooms that they wanted. A questionnaire was sent out, and the students listed the six rooms they preferred to have in the new building. After the vote it was found that the student lounge was the most popular, and the bookstore was hardly considered. The six rooms that were decided on are: lounge room, student body office, cafeteria, clubroom, publications room and alumni offices. The bookstore will remain at its present site.

The student union building should be completed within the next school year. The final plans are almost complete. The drawings then have to be approved by the school board and sent to Sacra-mento for final approval by the Division of School House Planning. The building is to be constructed on the northeast corner of the cam-

Chess Tournament Now Under Way

Chess has, in the past year, become a favorite game of many Hartnell students frequenting the student lounge. Many enthusiasts have become quite proficient at the game, so in order to determine champion player of the school a Chess Tournament has been or-ganized under the leadership of Allen Chappel.

Those interested in competing in the tournament signed up on a paper posted on the bulletin board last week, and the players were teamed up with opponents and this list posted on the board. The first round of games was scheduled to be played by Thursday, March 25, and the results of the games were written in on the bulletin board list of games.

The date of the Spring Carnival has been changed from April 10 to Since Lawrence Bosio resigned the and Shirley Gnesa from Soledad.

Sadie Hawkins Day April 2nd

Next Friday, April 2, tattered clothes will be seen, and bare feet will patter down the Hartnell halls. Like in the Lil Abner escapades, Sadie Hawkins' Day comes to Hartnell.

The affair sponsored by A.W.S. will climax with a Sadie Hawkins' Day dance to be held from 9 to 1, featuring music by the Stardusters. Admission to the dance will be one dollar for couples and 75 cents for stags with or without student body cards.

At a meeting of the A.W.S. Jim Crain and Ron Skillcorn were chosen for Lil Abner candidates, and Rosita Borja, Nancy Carr, and Jackie Campidonica were chosen as candidates for Daisy Mae. The selection will be made according to the highest amount of donations given for each candidate. Containers with the candidates' names on them will be placed in the main hall. The announcement of the winners will be made at midnight during the dance intermission. All money given as votes for the various candidates will be donated to the March of Dimes.

Although the girl must treat the boy for this occasion the boys must a box lunch for 25 cents that will be eaten at the dance following the king and queen announce-

A. G. S. Elects **New Officers**

The first meeting of Hartnell's honor society, Alpha Gamma Sigma, was held Tuesday, March 2, when new officers were elected.

Charles Collins took the head post as president, with Virginia Randolph assisting as Veep. Loava Mead was elected secretary, and Claudia Day will perform the treasurer's duties urer's duties.

Following the election of officers was a short business meeting started by reports from the committees, retiring President Ted Lang wel-comed the forty new members, and Mr. Johnston, the advisor, closed the meeting with a short talk on the origin of A.G.S.

NEW MEMBERS

New members from Salinas are, Alma Burke, Bill Carpenter, Angelo Chiurato, Warren Church, Richard Edward Dante, Mary Griffin, Georganna Grossi, James Hor-ton, Earl Johnson, Ann McLennan, Luisa Markum, Marie Mauro, Arlene Mill, Maxine Russo, Gloria Rust, Michael Shepherd, Doris Simon, Gwen Stewart, Shirley Skelton, Richard Adams, James Armstrong, and Alson Lovie.

New A.G.S. members from Wat-

sonville are Harry Chinn, Takeo Hirahara, Steve Knego, Henry Kokka, Justin Pope, Sayton Pope, Margaret Potter, Annette Shirachi, and John Ucovich.

Members from Santa Cruz are, Gretchen Hagler, Beverly Hargraves, and Donna Montagne. New members with home towns from down southern way are Doris Henry

THE EDITOR'S VIEWS

By DARRELL RAINS

Hartnell has many things of which to be proud, but apparently student interest in the college elections is not one of them. Out of a total enrollment of 596, only 205 students have enough interest in who their student body president will be next semester to vote in the runoff elec-

Voting in all student body elections is the privilege and the duty of every person possessing a student body card. If Hartnell is to have a good year next year it will be up to all of the students to help it along, but the president of the student body will have perhaps the most important part of the job. It is the job of the students this year to select the person who will do the best job next year, so get out and VOTE. Don't depend on someone else to select the man who'll run your student government next year.

Rumors flying about the college claim that the ballot box was stuffed in Monday's runoff election for president, and we have heard much controversy about who stuffed it and how. We feel it wise to state here a fact which seems not to have occurred to some of the students we've heard discussing it. Finding out who was favored in the void election does not have any bearing on the question of who stuffed the box, if it was indeed stuffed. It does seem logical to assume that the leader in the vote probably got it by stuffing the box, but it is also just as logical to assume that the one who was behind in the election would have been even farther behind if the box had not been stuffed.

It is our opinion that the question of who allegedly stuffed the ballot box can never be answered unless someone should confess. There is no real basis for believing that either one of the candidates did any stuffing at all. It is very possible that the whole thing was caused by a mixup in voting, rather than by any dishonesty. While admitting that if all eleven illegal ballots were cast on the second day (on which only 37 votes were listed as cast) it would appear incredible that so many mistakes could be made with so few votes, it nevertheless seems possible that there could have been some confusion which resulted in the handing out of ballots without marking them down on the tally sheet. This is not to infer that the election committee and those who help with the election were in any way at fault, but mistakes can happen.

• Even if the election box were stuffed, remember that it could have been done by some "jokers" who have no connection with either candidate, so take your time and think deeply before you cast slurs.

DID YOU KNOW ...

By RICK OLIVER

- that "Oakie" passed out when they pricked his finger to check his blood count during the blood drive.
- that M.P.C. girls defeated the Hartnell girls in a basketball game for the FIRST time since they've been playing, which covers the last four years.
- that Johnny Georgalos, who thinks everything which exists between the Panther and the eucalyptus trees is very FUNNY, knows who put the chili peppers in the hamsters' cage in the Nature Study Room. He'll give us only the person's initials - Rudy Diaz.
- that the theme of La Reata for this school year is "Hartnell College an Educational Heritage.'
- that Dan Brazil is the new driver, temporarily, for the Santa Cruz run. Dan usually has a hard time trying to keep Mary Asano awake long enough to get her to a seat, where she immediately curls up
- that those people who received cinch notices had better get on the ball. Those little pink articles are NO joke!
- that Ivy Brooks did Hartnell nothing but good when she talked to Live Oaks seniors at Morgan Hill on Wednesday of last week.
- that there is a big controversial shuttle of the Thanksgiving Day football contract, which is now in the process of being IRONED out?
- that Walter Judge, leading baseball writer for the San Francisco Examiner and one of the best sports writers in the west, printed Jerry Little's picture because of its originality. Jerry is a photographer for La Reata.
- that the Colhecon Club's shirt sale was held in this morning's as sembly.
- that when the W.A.A. went to Santa Barbara last week end, Shirley Smiley and Gertie Boracca got thirsty and went down to the bar to

High School Seniors Visited

In the last few weeks and for sev eral weeks to come, members of the Hartnell faculty and alumni association have been touring and will tour the various high schools within the Hartnell College District, talking with the seniors so as to give them a look at what Hart-nell can offer them.

On Saturday, April 24, Hartnell will hold its annual open house to all seniors of the surrounding high schools, wherein they will be guests of the Associated Students. The Student Commission (consisting of both old and new members) will act as host.

More information on this will be put on the Bulletin Board and published in The Panther Sentinel

Bus Drivers Attend Dinner

A dinner for all Hartnell student bus drivers was held in Room 35, last Tuesday, March 23.

Following the dinner, Mr. Don Drew, head of the transportation department, said a few the drivers concerning the transportation policies. Also a speaker was a captain of the highway pa-

It has been planned to have a dinner once a month in order to discuss the problems of the drivers.

Engineering Class Tour

The engineering students of Hartnell College visited the dolomite mine and processing plant at Natividad, March 11.

The group, under the supervision of William Bullis, engineering instructor at Hartnell, observed the various engineering principles used The students inspected the open pit mine, and then studied the kilns and sorting systems of the plant. Dolomite is a mineral used as a catalyst in the production of steel, and for insulating roofing material.

Smoking is not allowed in any building except in lounge and caf-

International **Club Has Party**

On Friday, March 12, International Club members enjoyed an evening at Mr. Pressley's ranch on the Old Stage Road.

The affair commenced at 6:30 with a barbecue. After dinner, the members joined in on an informal M. instructor and host, Mr. Pressley showed some slides he took on his recent trip to Canada. Dancing concluded the program, which

SPECIAL FINANCE **GROUP FORMED**

A new finance committee has been formed in the student government. In an administrative bulletin from J. P. Ching, superintendent of schools, the college has been asked to observe the following: "No expenditures are to be made from student body accounts or student body trust funds without evidence that approval has first been given by authorized student officers or by action of an authorized student

The committee went to effect on March I, and was appointed by the student body president at the re-quest of President Lemos. The formation of the committee was recommended by the district auditor to promote a better bookkeep

ing procedure.

The members of the committee are: Ted Lang, chairman; Georganna Grossi, secretary: Lawrence Bo sio, Claudia Day, Arlene Olsen, Mr. McCallum, and Miss Handley.

Generator Is

Built by Class

Putting their final touches to the Van de Graaf machine are from left to right, Ted Lang, Don Weatherly, and Robert Zilm. Through the cooperation of these students and two others, Gene Menees and Michael Shepard, and with the aid of their instructor, Mr. V. Anselmo, built this generadiscussion. Then Hartnell A. and tor from scrap parts available. With a considerable amount of ingenuity, it was constructed for the low cost of 95 cents.

The purpose of this machine is its use in demonstration and instruction of future classes in physical ics. Also it is to show the principle from which it was derived; that the generation of a large electrical voltage is possible through the process of induction. This means that the motion of the silk belt (noted above) by itself, places a large amount of electricity on the metal globe.

When the generator above is built on a larger scale, it is used in atomic research. At present this generator produces approximately 100,000 volts, whereas the one used in the atomic research program generates approximately two million

Iva Brooks is from Gilroy and Edward Walters hails from Fairfield,

These new members are in addition to the old members listed in last week's paper. All new members are requested to sign the constitution and pay their dues at the table in the main hall on Monday, March 29.

Attendance Is **A Necessity**

A student in Hartnell College is expected to attend all sessions of each class, including final examination sessions. Failure to do so will ordinarily result in a lower grade or in exclusion from the class after two weeks or more of unexcused abscences. Regular attendance is one of the most important factors that promotes success in academic work.

Excuses for absence are personally made to the class instructor upon return to class and must be satisfactory to him. Absences due to serious illness or strictly una-voidable circumstances may be considered excusable by the instructor; however, home engagements, trans-portation delays, and business excuses do not constitute such una voidable circumstances and will not be excused. Cases of tardiness will be considered as absences from class unless the student reports his tardiness to the class instructor during the class hour.

Leaves of absences will be granted sents satisfactory reasons for ab- ties.

PROFS CAN BE LOCATED EASILY

Located in the main administra tion office is a list of all Hartnell instructors and the places where they can be found at any hour. Students wishing to locate an instructor can check and find out his her class schedule and office

sence and secures advance approval of the official leave of absence petition from the president or registrar. Instructors will give all makeup assignments to permit the student to make up the work missed on absences.

Makeup work for absences of any kind must be completed to the satisfaction of the instructor in charge of the course in no way relieves the student from the responsibility of completing all assignments for

College News From All Over

The following news items are taken from the latest press releases of the Associated Collegiate Press.

This one has them laughing at the University of Nebraska

On the first day of second semester classes, a tardy professor walked into a room where 100 students had gathered for a political science class. He walked briskly to the blackboard, erased what had been written there and announced, "If there's anyone not here for Political Science 4, now's the time to leave.

The students protested. This was Political Science 1, they said. Then it dawned on the bewildered professor, who grinned, apologized, said, "I must be in the wrong room" and left. The right professor arrived shortly.

The Colorado Daily, at the University of Colorado, recently suggested in an editorial that stu-dents sign up for courses by selecting the instructor, not the name of the course. The editorial said that you could learn more in "just any course" from a good instructor than you would in planned courses from a dull instructor, and that despite the limitations on courses you could take you actually learn more in the long run by selecting

New Association Starts On Campus

Something new has been added to the campus. Hartnell College now has a Student "Y" Association. This organization is interested in meeting the needs of the individual on campus, such as community service, religious and social activities, projects, and many more.

The association at present sponsoring student-faculty fireside chats which are being held in private homes. These informal chats tend to bring students and faculty closer together and develop greater understanding.

Last Tuesday, this organization held an election of officers wherein the results are: Jim Bender, president; Edward Walters, vice-president dent; Shirley Dau, secretary; Jackie Phillips, treasurer; and Judy Blair, I.C.C. representative. This cabi-This cabinet, since the association is now in its prime, will lay the foundation for program, activities, projects, and other essentials for the coming year of 1954-5. This will be done with the aid of Doctor Borough, faculty advisor.

For the latter part of this semester, the Student "Y" will concentrate its efforts on organization and membership. Also, within the next few weeks it will become a member of the national movement which has similar groups on just about every campus in the United States.

The Student "Y" Association has small but very active membership at present and wishes to explease contact any of the officers, ing his term of office.

Hartnell got a new station wagon recently. It is a 1954 Pontiac sta-

and check the bulletin board for news of meetings.

Upon interviewing the newly elected prexy, Jim Bender, he stated that he will work for the Hartnell Student "Y" in its entirety tend invitation to all student body to the utmost of his ability, seeking members who may be interested in to aid the needs of the individual joining. For further information, rather than glory for himself dur-

It is no secret that education becomes more costly each year, not only from the taxpayer's viewpoint but at the student level as well.

Recently, a student mentioned There are 72 veterans enrolled at he was not taking a particular Hartnell College. As the veterans course this semester because the textbook cost exceeded his current budget and he had been recently laid off, temporarily, from his "after-school" job. However, he he still planned to enroll for this course, if and when, his finances improved.

We grant you, this is an excep-tional case and is not the general From time to time the column rule applying to our students. Our reaction at the time was one of wonderment, in view of the fact that that here at Hartnell, we have adequate loan agencies set up for just such contingencies.

> Then we had the case of the G.I. not receiving his subsistence check from the Veterans' Administion as scheduled, and it meant to him that he must leave the campus and go to work. But fortunately he knew of Hartnell's loan funds and was enabled to continue his schooling until his record was straightened out by the Veterans' Administration.

> It might be well to review these loan funds at this time. First, we have the John B. Lemos Loan Fund. This fund consists of monies set side to tide a student over an emergency. This loan is available for both men and women and can be repaid in specified time payments. Mr. W. J. McCallum, dean of men, administers the fund.

> Secondly, there is the Soroptimists' Loan Fund, supervised Miss June Handley, dean of women. This fund operates in the same manner, however it is restricted to women.

Thirdly, the International Club nas a loan setup comparable to both the foregoing but restricted for the use of the foreign student. Mr. Vahé Aslanian is director of this account.

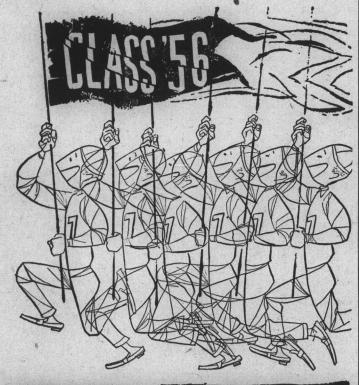

It is apparent therefore that no student should suffer the loss, or postponement, of his education due temporary financial reverses. These revolving funds operate for the welfare of all Hartnell stu-

Still A Problem

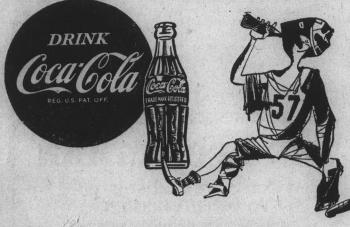

Due to complaints received at the office, once again the parking rules will be repeated for the benefit of the students who do not know the

A parking area is provided on the north side of the campus. No parking is permitted across the street from the college on Homestead Avenue. No parking is allowed on the spots marked with red paint. The spaces so marked in the parking lot are reserved for the student body station wagon and the buses. Cars can be parked on both sides of Alisal Street, but they cannot park in front of, or in, the driveway in front of the Men's

All students are urged to drive with caution when near the college because of the large number of children playing in the vicinity.

Harts Smash Spartans, Face Prison Nine Panthers Venture To San Jose

Hart Hitting, **Pitching Good**

The Hartnell baseball team released their emotions pent up by the cancellation of three consecutive games by slaughtering an hapless young group of Gonzales Spartans, 19-0, on the College diamond Tuesday, March 23.

Jess Regli completely cleaned the bench by throwing 20 men into the fray, hoping to hold down the onslaught. But the Panthers are all still scuffling for first string positions and were out to display their talents. Consequently 12 base hits, including doubles by Dick Herman and George Bernasconi, were manufactured in the six innings at the plate. In addition, the Panther base runners ran roughshod over the Spartan catcher and pitchers. Included in the pilfering were steals of home by Ray Shields and Herman. The big inning was the fourth when seven hits drove 12 runs across the plate.

Meanwhile the pitching staff more than upheld its end of the game, limiting the Spartans to two measly bingles and allowing no bases on balls. Harold Kolstad set six straight opponents down on strikeouts and then gave way to Chuck Dillard. In his 2-inning stint, the left-hander dropped five Gonzalesites on strikes and relinquished one clean hit between first and second. George Martines threw the next two frames and kept the paths clean while whiffing two Spartans. Don Ridge finished the game and gave up the second Gonzales hit, a Texas leaguer over

KOLSTAD IN FIRST WIN

Kolstad received credit for the win, his first this year, having dropped two heartbreakers previ-

Weather Defeats Nine; 3 Games Cancelled

The age-old enemy of early season baseball—rain—was victorious again as Jess Regli's eager charges were pasted with a triple defeat last week end.

The elements frowned miserably upon the Panther horsehiders as the Friday Coalinga J.C. encounter and a Saturday doubleheader with the strong inmate squad from Soledad Security Prison were cancelled because of wet grounds and impending showers.

WEATHER TOO DAMP

The Coalinga game could have been attempted, but Regli wisely refused to submit his players to the gummy field with its damp playing conditions. Many a ball player has suffered the tortures of a sore throwing arm obtained from cold and drizzly weather. In addition it would have meant a long, dreary car ride for the valley nine, only to endure nine inning of uncomfortable baseball. Games played under such conditions usually are not of the best caliber and would not have pleased the fans either, if any such animals might have braved the weather to view the con-

Softball Begins

A five-man intramural softball league has been formed and will begin action on Monday, March 29, according to Jess Regli, intramurals organizer. Fifty-one men have signed up on the five squads, and anyone interested in playing should contact any of the following managers: Mr. Anselmo, Ddavvbrats; Dave Pearson, Menuhenes; Dean Larkin, Trashburners; Hiroshi Fujii, Unknowns; and Warren Tibbs,

BASKETBALL CHAMPS

Ster last season, the other N.C.J.C.C. in in hits with 4 for 6 at bats. Sterile in hits with 4 for 6 at bats. Sterile in hits with 4 for 6 at bats. Sterile in hits with 4 for 6 at bats. eleven positions on the all-conference team to the powerful Panthers. These players were the following: Tony Teresa, quarterback; Clive Bullian, halfback; Jim Crain, end; Gerry Ledine, tackle; Jim Brandon and Dick Herman, guards; and John Perkins, center.

Taylor Burton, who played football and was a weight man here two years ago, has been working out on the Hartnell track during spring vacation at San Jose State. Burton is putting the shot and throwing the discus and javeline throwing the discus and javelin for the Spartan cindermen.

Hartnell has had only one fire drill this year.

Meet Convicts In Double Bill

"Rain, Rain, Go Away," pleads Hartnell's baseball coach, Jess Regli, as he dubiously leads his contingent into battle with the Soledad Prison nine, Saturday, March 27. The double bill is scheduled to begin at 9:30 a.m., providing the weatherman gives them a break.

Visiting pitchers have toed the pitching slab with knocking knees, as the prison's notoriously fast outfield ground has oftimes betrayed their causes. Many a hard-hit sin-gle through the infield and between the outfielders have gone for circuit smashes. However, if any thing, the previous rainfalls should have helped soften the terra firma and should lessen this probability.

The Panthers should be at full strength for the setto. Outfielder Richard "Bird" Adams is nursing a swollen shin suffered from a line drive in batting practice, but the bruise shouldn't keep him from seeing duty in the outer pastures.

The prison should be a good test of the Harts' strength, as the cons always come up with a well-talented group. After all, they have nothing to do but play ball and there is unfortunately a continual influx of ball players.

Regli will probably start with Morris Boutte, first base; Don Halterman, second base; Bob Tomczak, third base; Dick White, shortstop; Adams, left field; Chuck Dillard, center field; Dick Herman, right field; Ray Shields or Eddie Dix, catcher; and George Martines, Harold Kolstad, or Dillard will handle ne pitching chores.
Tuesday, March 30, the Panthers

tangle with San Jose State Frosh here on the college diamond at 3:00. A large crowd is expected to be on hand for the first home weekday game this season.

Reglis Hit at .245; **Halterman Leads Pack**

The Hart hardballers are hitting the pill for a five-game per-centage of .245. Twenty men have compiled 147 times at bat and have clubbed out 36 hits. Diminutive Dan Halterman, George Martines and Mits Mori are all thumping at a .500 clip. Halterman is leading in hits with 4 for 8 at bats. Lead-

Spartababe Cindermen Favored

Bowling Enjoyed

Twenty-four potential bowling champions have been burning up the floor at the Salinas Bowling Alley on Friday afternoons. The experts meet at the alley at one,two, or three in the afternoon for a recreational class, which is still open to any interested students. Anyone wishing to take part in this sport should contact Miss Handley.

CHAPPELL BOWLS 235

Two of the most noteworthy scores on hand for last week were those of Allen Chappell, who bowled 235. For the best showing of improvement, A. Rodriques, who has been bowling just two weeks,

Wildcats Edge. **Hart Netsters**

Panther netmen were edged by a strong Watsonville squad, 5-4, on March 18 for their first loss of the early season.

The absence of third man Dave Ingols spelled defeat for the Panthers as the Hartteam was forced to move one notch down their ladder. Nevertheless, the Wildcats have a fine club, show a lot of experience and enthusiasm and should grab the C.C.A.L. title.

The Summary:

Gilbert Rodriquez (W) d. War-ren Tibbs, 6-3, 6-2; Don Wright (H) d. Julian Cantu, 6-4, 6-2; Joel Gomez (W) d. Troy George, 6-2, 6-4; Bob Whyte (W) d. Dick Sargenti, 6-1, 10-8; Otto Dicks (W) d. Dale Swire, 6-0, 6-1; Coach Darwin Peavy (H) d. Gerald McGowan, 6-0, 6-0; Tibbs-Wright (H) d. Rodriques-Cantu, 64, 8-6; Dicks-Gomez (W) d. Ingol-George, 6-1, 6-3; Sargenti-Swire (H) d. Whyte-McGowan.

HARTNELL HOSTS SEQUOIAS

Tomorrow afternoon on the local courts the Harts play host to College of Sequoias. first year that the Visalia College has participated in this sport on a competitive basis. Most of their efforts during the spring months have been on track and baseball.

Coach Darwin Peavy fills in on his tennis team whenever an opponent squad brings extra men to play. He manages to win his matches, too, through his consistent

Marin Meet Cancelled; Tars Claim Not Ready

The Hartnell thinclads will face their toughest track met to date as they face the San Jose State Frosh tomorrow at the San Jose field. The events begin at 1 o'clock.

Bob Larson carries most of the Hartnell hopes. In the M.P.C. and Menlo meet, he took three first places for a total of 15 points. He is expected to win the high jump and should place in the pole vault and the high hurdles.

Marvin Anderson seemed to have a case of the jitters in his last meet, but according to Coach Ed Adams, "he is improving faster than anyone on the team." With a good day he should place in the discus.

Bill Mix is looking good in the 440 and 880 yard runs and Sylvester Green is coming along in the mile and two mile runs.

SAN JOSE LOADED

San Jose is reportedly loaded. They boast of Don Armstrong and Dick Hightower. Armstrong was the national high school champ in the high hurdles last year. High-tower is said to have cleared over 13 feet in the pole vault.

Representing the Panthers at San Jose:

100-yard dash, Ken Daugherty, Max Dosier.

220-yard dash, Daugherty.

440-yard run, Bill Mix, Richard Avilla.

880-yard run, Mix, Claude Turpin, Dale Swire. 120 high hurdles, Bob Larson,

Iim LaPorte. 220 low hurdles, Merril Clure.

Mile run, Ron Martin, Sylvester Green.

2-mile run, Jack Alioto.

Mile Relay, Daugherty, Kenyon, Avilla, Mix.

Pole Vault, Larson, Arnold Con-ley, Allan Miller. Discus, Anderson, Ken Escobar,

Ted Lang.

Shotput, Anderson, Bill Williams, Marvin Roberts.

The Hartnell-Marin track meet has been called off on account of rain. Though the meet was to be staged here today, the Marin field has been so swamped that their tracksters haven't been able to practice for several days. Because of this their coach feels that the Tars could afford little competition to the Panther thinclads.

The telephone number of the Salinas police department is 6464.
